

Making a Name for Yourself

Sacha Chua

Toronto College of Technology

March 14, 2009

Presentation and notes will be available at
<http://bit.ly/makename>
by Monday, March 16

DEVELOP

1. Build on your strengths

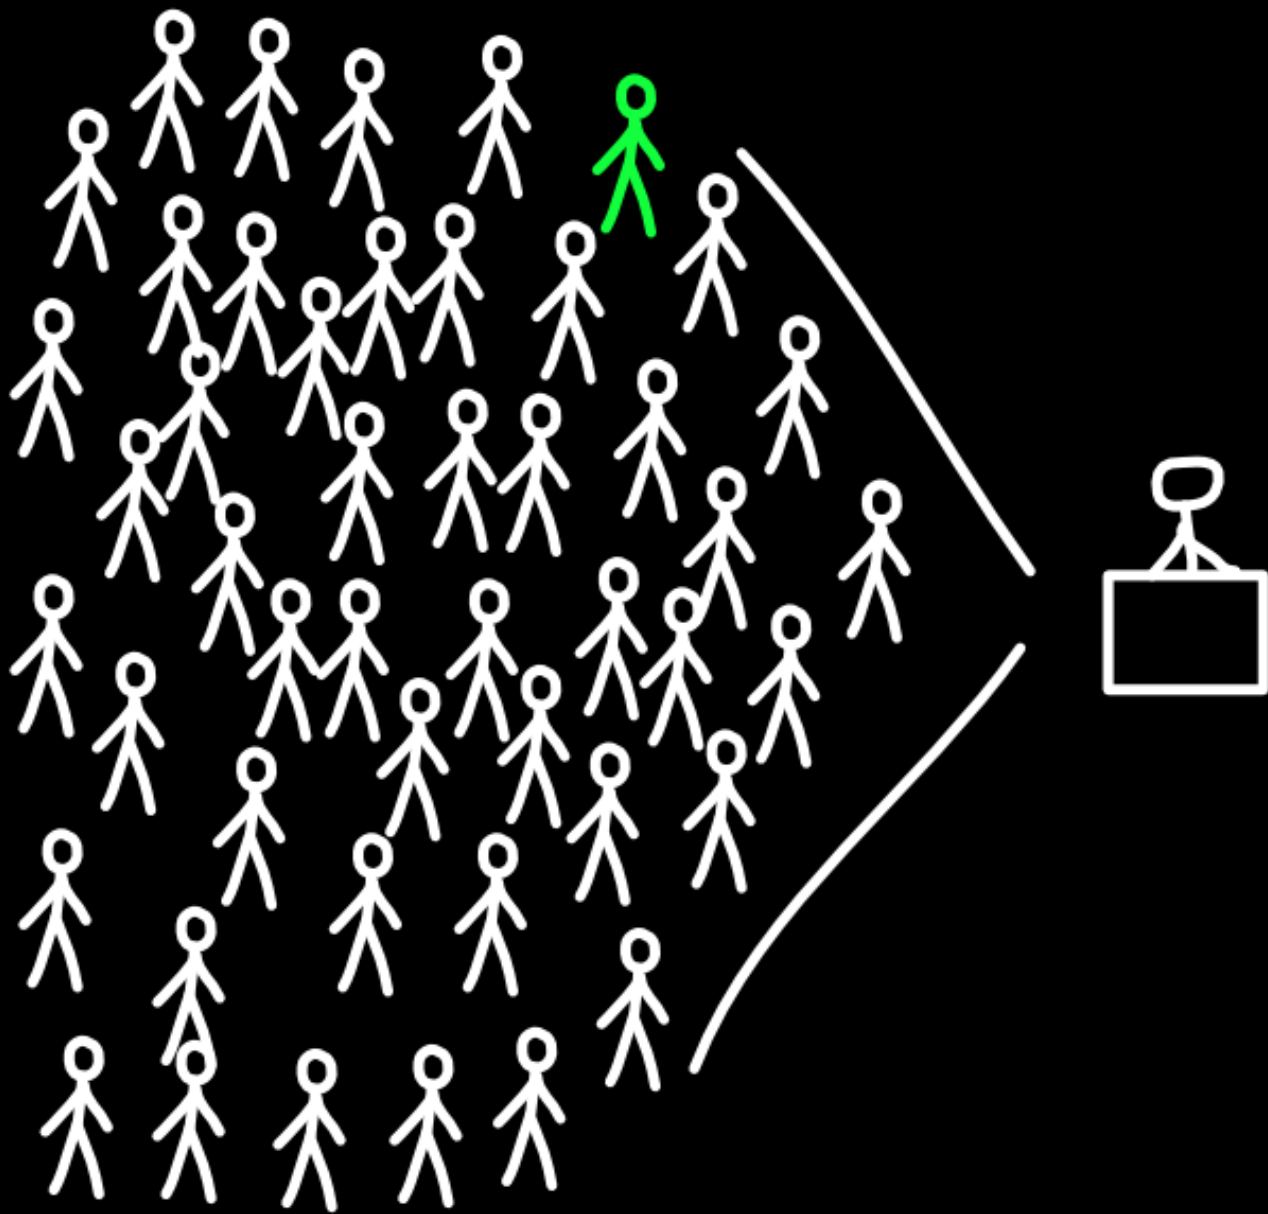

What skills did you develop in class?

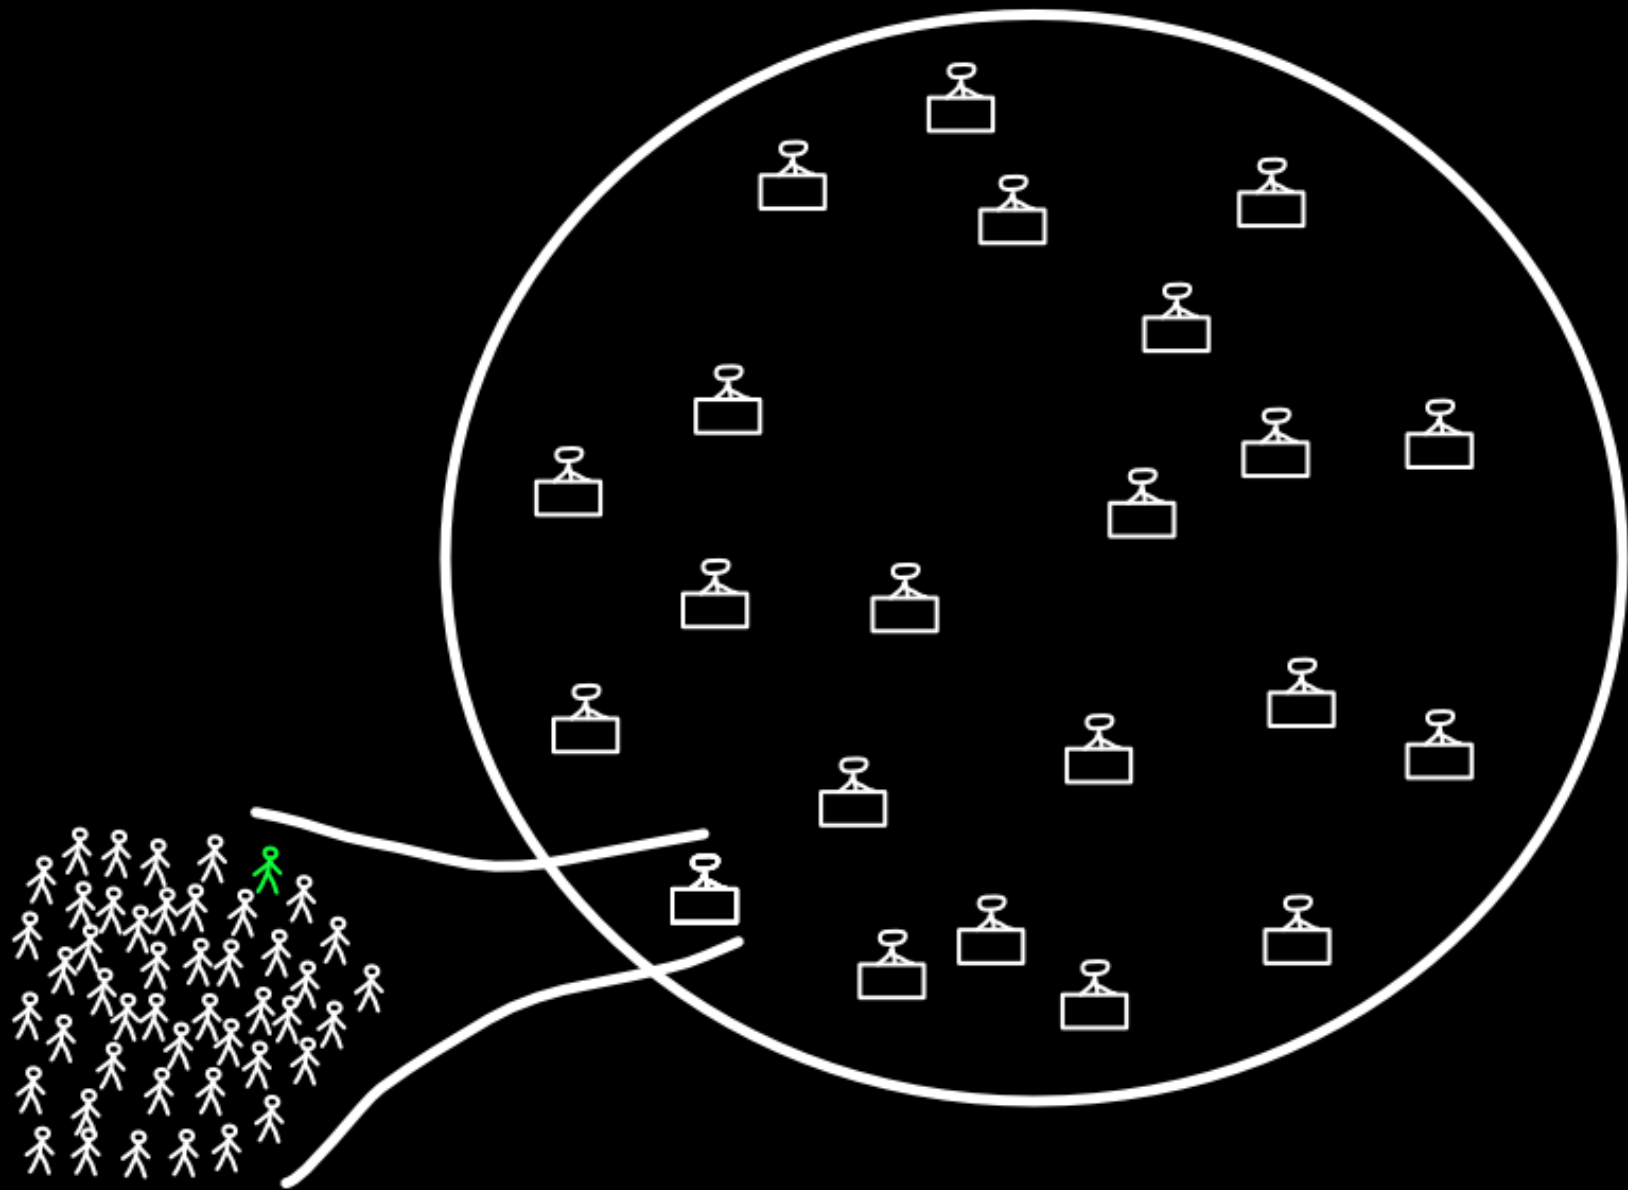

What do you know outside class?

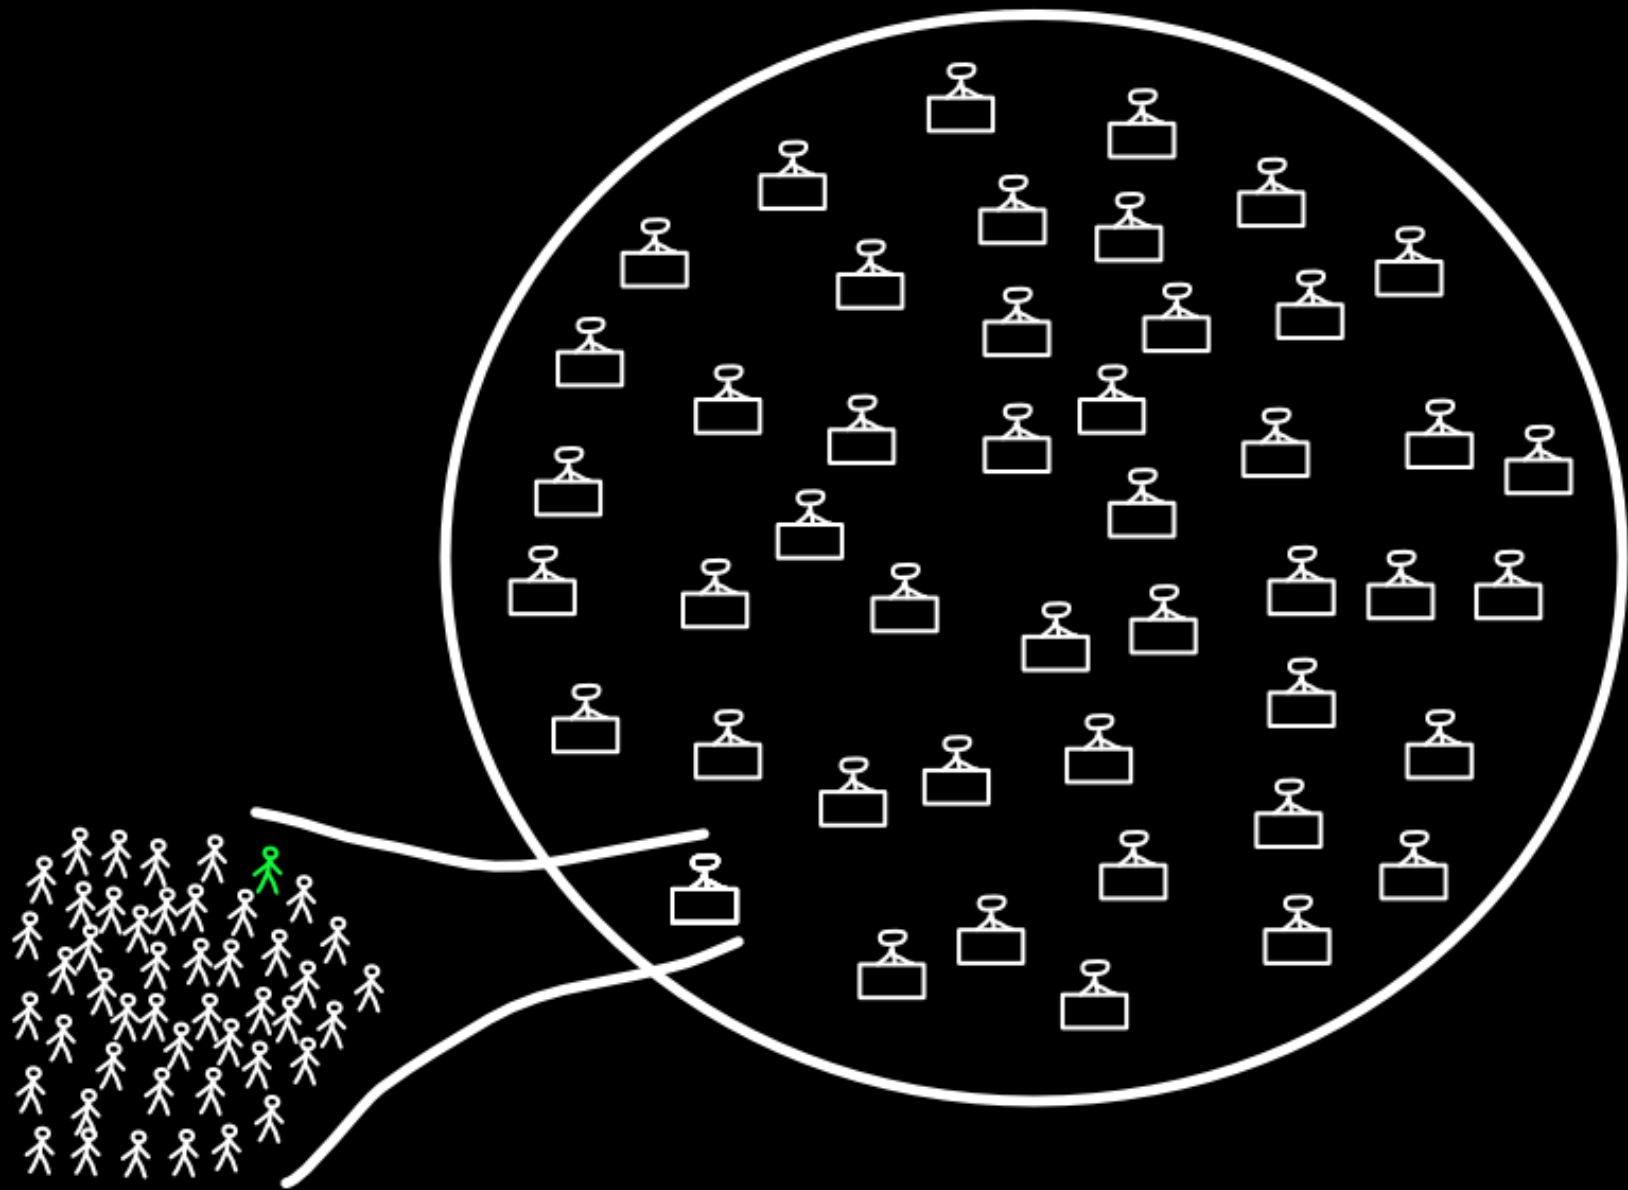

How can you get even better?

2. Be flexible and create options

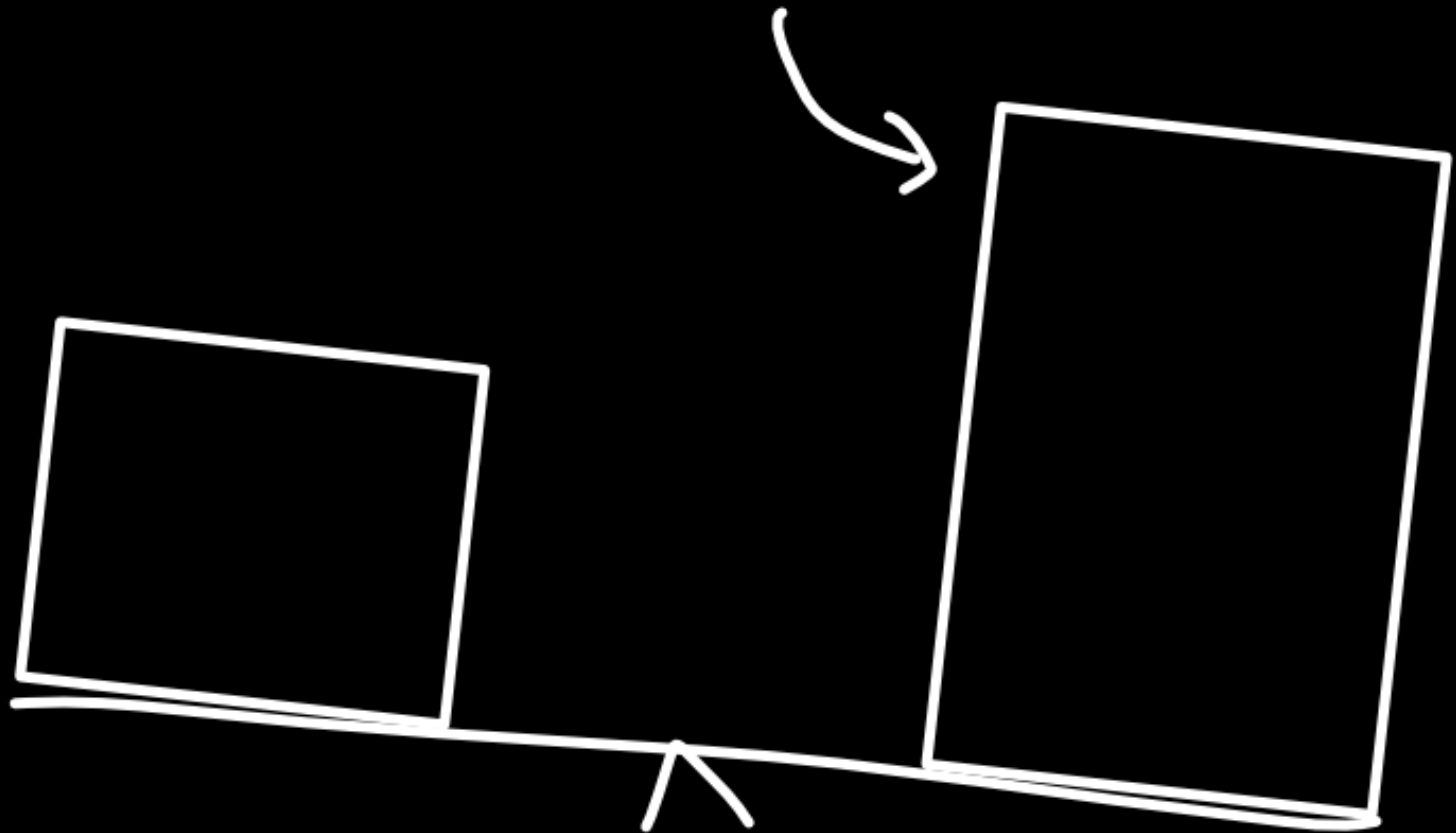

3. Change the game
